

Leave it up to the Epi Breads Research and Development teams to create another lineup of ***“cutting-edge”*** and ***“consumer trending”*** additions to the fastest growing segment in foodservice and retail bakery: **Sandwich Breads and Rolls.**

Epi is known in the bakery industry as a leader in “ground up development projects” and these two new additions will soon be a favorite on your menu and with your customer base.

Ranked in the ***“Top 10” most requested flavor profiles*** over the last 5 years, both New Mexico Hatch Chili Pepper and Jalapeño Pepper are Hot ‘N Spicy profiles that continue to lead the way as inclusion leaders for a variety of food products.

Recent additions to the Epi lineup using both these popular consumers requested varieties include:

- Hatch Chili Pepper Hoagies
- Hatch Chili Pepper Bollio Torta
- Hatch Chili Pepper Round Sandwich Bun
- Hatch Chili Pepper Baguettes
- Jalapeño Pepper Hoagies
- Jalapeño Pepper Bollio Torta
- Jalapeño Pepper Brioche Sandwich Bun

Epi is ready when you are; to create your next Hot ‘n Spicy menu addition that will satisfy your customer’s spicy flavor request and keep them coming back time and time again!
